

## Cold Food Displays - Flat Deck

### W.CFSSN.xx

The Woodson buffet style cold well self serve unit uses unique refrigeration principles to ensure food is always kept at the required temperatures.

#### Product Information:

- Ideal for back of house use in plating and dish assembly
- Supplied with removable acrylic well covers to seal cold well when not in use
- Designed for a maximum of 3 hours continuous use with open well. Lids must be used between sessions
- Unique blown air design passes a cold air blanket over the top of the food. The cold air then returns under and around the food pans creating an even cooling effect
- Complete with hygienic stainless steel top for easy cleaning
- Features a full length evaporator coil. Adjustable digital controller designed to hold temperature accurately between 2°C and 5°C
- Designed to operate in ambient temperatures up to 32°C
- Undermount refrigeration unit supplied with drain hose from well for connection to waste
- Air insulated tank with double skin stainless steel construction
- Takes gastronorm pans up to 100mm deep (sold separately)
- Other pan sizes and combinations available
- Wide range of functional accessories available

#### Note:

- All accessories supplied loose for easy on site assembly
- All Woodson units are designed for use with Woodson pans. Other suppliers pans may fit, however this is not guaranteed.
