

Hot Food Displays - Curved Glass

W.HFC.xx

The Woodson straight glass hot food display presents products superbly in addition to all the standard bain marie features.

Having no front stainless steel supports, the straight glass profile display allows for maximum visibility of chosen product.

Product Information:

- Fan forced humidified display cabinet specifically for storing chickens or roast meat
- Air insulated tank with double skin stainless steel construction
- All units complete with rear sliding doors on rollers for council compliance
- In-tank temperature probes for accurate measurement and lower running costs
- Multiple element design for reliable operation and even temperature
- Improved infra-red heat lamp configuration for optimum heat & light
- Toughened glass on all sides for maximum safety
- Rectangular base to easily drop in to bench cut-out
- Optimum visibility of product - no unsightly corner post to front
- Mechanical thermostat control with temperature gauge
- Designed to run between 70°C - 80°C
- Takes gastronorm pans up to 100mm deep (sold separately)
- Other pan sizes and combinations available
- Available in a range of sizes from 2-6 modules
- Available in a variety of other profiles, with matching cold food displays
- Wide range of functional accessories available

Note:

- All accessories supplied loose for easy on site assembly
- Not recommended for the display of chickens
- All Woodson units are designed for use with Woodson pans. Other suppliers pans may fit, however this is not guaranteed.
