

Drink Machine Two-Speed

Model: VM10011

Reliable and Efficient Blending

The Drink Machine Two-Speed is the reliable blender for powerful, functional, blending. With manually-controlled two-speed capability, the Drink Machine Two-Speed will flawlessly create delicious, frozen coffee drinks, fruit smoothies, frappés, granitas, shakes and more.

This entry-level option allows operators to manually select the blending speed, delivering results that can only be achieved by a Vitamix while minimising the initial outlay.

Features

- Two-speed manual control switch
- Ice blade designed to crush ice in liquid
- Powerful ~2 peak output HP motor handles dense ingredients without overheating
- Clear, durable 1.4 litre container pulls ingredients into the blades for efficiency and better speed of service
- Ideal for blending fresh fruits, liquid smoothie, coffee mixes, ice & ice cream
