Robalec Rice Cookers & Soup Kettle

Roband Australia carefully sources a selection of commercial food service products that are manufactured overseas to meet the diverse needs of Australian food service establishments.

With Thai, Chinese, Japanese, Indian and other multi-cultural cuisines proving to be very popular with diners, Roband Australia recognises the need for reliable, efficient rice preparation. We offer three types of rice preparation machines – three rice cookers, a rice cooker with a keep-warm function and a stand-alone rice warmer. Years of research and development has culminated in machines that deliver the very best quality of steamed rice.

Soup will always be a much loved menu choice for Australians, particularly in winter. Roband Australia offers stylish soup kettles for attractively displaying and marketing your soup to customers whilst keeping it at the desired serving temperature.

Rice Cookers

Available in three sizes providing 30, 39 or 55 cooked rice portions, the simple one-touch operation of the Robalec rice cookers make them the ideal tool for rice production in busy establishments.

Features

- Large 5.4 litre (30 portion), 7.2 litre (39 portion) or 10 litre (55 portion) capacity
- Easy one-touch operation
- Non-stick coated rice bowl
- Easy to use
- Auto shut-off
- Burn-proof pad (SW5400) or rice napkin (SW7200 & SW10000)
- Measuring cup and spoon included

See-through lid

Non-stick coated bowl has litre size graduations
