Hammertone Finish Pie Warmers

Finished in silver hammertone on a steel body, all units have thermostat control, thermometer and removable crumb trays. Models 40DT and 80DT have removable drawers with stainless steel fronts and are designed for pies, pastries and sausage rolls. The 83DT has sliding steel doors, three removable wire shelves and is designed for pies and food containers. Roband pie warmers are ideal for lunch rooms, canteens and construction sites.

FEATURES

- Precise thermostat control
- Easily removable shelves, doors, drawers and crumb tray for easy cleaning
- Double skin cavity for even temperature and low running costs
- Thermometer
- Single phase 10 amp plug
